1. Re UNLTR AG 470.6 (19 May 52) CG-P dtd 19 May 52, subj : Overseas Deployment of Toxic Chem Agts, ur C 69794, DA 914321, DA 916457.

2. Re Part IV ur C 69794, DA 914321 answers Para A. This msg answers B and C. DA 916457 is partial answer to D.

A. Re Para B, ur air mun and portion ur ground mun requirements can be met from stocks aval. DA will furnish you info re shortages by ltr. Shipments will commence after submission ur requisitions through normal channels, after clearance with highest govtal authy.

B. Re Para C, policy covering employment CW provides retaliation, with presus approval, against enemy CW employment. Policy statement covering use CW in retaliation for enemy BW employment does not appear necessary in view fact that presus approval for employment CW required in any case. Presus approval cld take form authy for CW retaliation against enemy BW initiation in event conditions existing at the time so warrant.
